Rahu Mahadasa - Third time for USA

-- Continued....

Thus, at the time of next Presidential elections, ***the period will be Rahu/Rahu*** between 6-July-2016 and 6-April-2019.

Natal Planets Analysis:

1. Rahu is cojoined with 8th house & 11th house lord Mercury in 9th house. They both are having a direct aspect on 3rd house.

Transit Planets Analysis:

At the time of elections,

1. Transit Jupiter is in 10th house from Lagna until June 2016 and Natal Jupiter is lord of 2nd & 5th houses.
2. Transit Saturn will be in 1st house from Lagna until June 2017 and is lord of 3rd and 4th houses.
3. Transit Rahu will be in 10th house from Lagna between Jan 2016 and June 2017, and cojoins with transit Jupiter between 2016-01 and 2016-06.
4. Transit Jupiter will be in 11th house between June 2016 and 2017, thereby touching Natal Saturn.

At the time of elections,from Janma Rashi (Natal Moon in Aquarius);

1. Transit Jupiter & Transit Rahu will be in 7th house (Sun is the Lord)
2. Transit Saturn will be in 10th house (Mars is the lord).
3. Natal Saturn is in 8th house (Astama-Shani)

Hence,

1. The planets that have Primary Impact are: Saturn, Rahu, Mars, Jupiter & Sun.
2. The houses that have impact when looked from Janma Rashi are: 7th & 10th.

Rahu Mahadasa - Third time for USA

-- Continued....

My Analysis:

In connection to the affairs of the country;

1. Transit Saturn residing in 1st house will impact "**Condition of cabinet & public health**".
2. Transit Saturn's 3rd aspect is on 3rd house owned by Natal Saturn and **hence noticeable hurdles in Transportation**.
3. Looking from Janma Rashi, while 7th house deals with Foreign relations, crime against women, marriages, International disputes & war; with Transit Jupiter cojoining transit Rahu between Dec 2015 and June 2016, **the country will face AMAZING challenges when it comes to foreign policy**.
4. Looking from Janma Rashi, while 10th house deals with Ruling party, ruler & administration; **transit Saturn will show its impact with more hurdles to administer the country policies**.

P.S: Already, the current US administrative policies became very debatable and egostic.

5. Natal Rahu is in 9th house, and for a country it deals with "Law & Courts". Thus, between Dec 2015 and June 2016, **the country will notice "revolutionary decisions from Courts" and challenging day-to-day life for common man**.

So, during Rahu/Rahu period, revolutionary decisions from Courts is HIGHLY possible.

Conclusion:

Since there is a national election during Rahu/Rahu period, the election of President in 2000 maybe repeated (when the court decided that George Bush is the President).

With Rahu in 10th house on Natal chart of USA, any presidential candidate who have a stronger Rahu will have more chances.

In the natal chart of Republican possible candidate Donald J Trump, Rahu is in 10th house and cojoined with Sun. Sun is lord of 1st house and after June 2016, transit Rahu will be residing in Leo.

In the natal chart of Democrat possible candidate Joe Biden (current Vice President), Rahu is in 10th house residing in Leo and Sun is lord of 10th house. After June 2016, transit Rahu will be residing in Leo. Thus, both Natal & Transit Rahu's are in 10th house for this native.

EC # 2: Astagraha Kutami - 1959 Astrological Magazine - Analysis Author: Sastry Karra

Ashta means Eight; Graha means Planet & Kutami means Combination. Eight planets combining in a zodiacal sign is a rare event. Whenever seven planets with Rahu or Ketu are combined in one zodiacal sign, then it is 8-planet combination.

Out of my curiosity, I generated sidereal ephemeris from 1AD until 3599AD using the Swiss Ephemeris program and data available from JPL. Then using a separate program (that I wrote), I searched for days when all SEVEN planets (Sun, Moon, Mars, Mercury, Venus, Jupiter & Saturn) are in one Zodiac sign. If Rahu or Ketu is NOT cojoined with these seven planets, then it is a UNIQUE KALASARPHA Yoga/Dosha. In 2016-Q2 edition, I will be producing my analysis of this "Unique KS YOGA or DOSHA".

This 8 planet combination happened on 5-Feb-1962. All seven planets and Ketu are in Capricorn.

In August 1957, Astrological Magazine, renowned Astrologer (Late) B.V.Raman perceived "**possibility of Third World War**" due to this unique combination.

In 1959, there were eleven articles published in Astrological Magazine, from various professional astrologers pertaining to this unique planetary combinations.

In this article, I am summarizing their predictions. Please note that most of the predictions remained as "predictions" only. This reveals the difficulty of predicting when it comes to nations.

Paper 1 - April 1959 by Dr. P.S.Sastri : According to the Author; "**One can predict safely that 1962/1963 are IMPORTANT years in world history**". Based on facts, this prediction "**came true**".

Paper 2 - May 1959 by C.E.O Carter : According to the Author;

1. "I reject all highly alarmist forecasts".
2. "I do not feel anything of **GLOBAL WAR** is denoted".

Based on facts, the second prediction "**came true**".

Paper 3 - May 1959 by K.M.Kharegat : According to the Author;

1. On Page 446, he mentioned "In the event of a war with Russia, which is NOT UNLIKELY, the first brunt of the attack will be on the West Coast of USA".
2. On Page 450, he mentioned "Some sort of conflagration involving, Russia, China, USA, Middle East and some parts of India seems indicated..."

EC # 2: Astagraha Kutami - 1959 Astrological Magazine - Analysis Continued...

Based on facts, the second prediction "partially came true".

Paper 4 - June 1959 by Cyrus D.F. Abayakoon : According to the Author;

1. On Page 528, he mentioned "*There is a threat of major war from 12 to 15 months*"

Based on facts, the second prediction "came true".

Paper 5 - July 1959 by Dr. W.J.Tucker :

According to the Author; "8-planet combination doesnot mean any cosmic disaster or extinction of mankind. **I do not believe there would be a THIRD WORLD WAR at the time of 8-planet combination**".

Based on facts, the prediction "came true".

Paper 6 - July 1959 by Srimathi Rukmini:

According to the Author; "I donot feel competent to say dogmatically or categorically, whether the 8-planet combination would herald the THIRD WORLD WAR, but it contains the ingredients inflammable enough to start a conflagaration event with the operation of a tiny spark".

Based on facts, this prediction "came true".

Paper 7 - August 1959 by V.Thiruvenkatacharya : According to the Author;

1. On page 696, he mentioned "**The problem of Kashmir will cease to exist afterwards**".
2. On page 734, he mentioned "There is NO CHANCE of a global war".

Based on facts, the second prediction "came true".

Paper 8 - September 1959 by S.P.Samabsiva Iyer :

According to the Author; "**For Russia, there will be warlike manoeuvre and intense propaganda but not actual declaration of war**".

Based on facts, this prediction came true - Cuban Missile Crisis.

EC # 2: Astagraha Kutami - 1959 Astrological Magazine - Analysis Continued...

Paper 9 - October 1959 by Manoranjan : According to the Author;

1. On page 866, he mentioned "**U.N.O (United Nations Office) WILL DIE in 1962**".
2. On page 866, he mentioned "**circumstances will be such that India & Pakistan WILL SEE NO OTHER ALTERNATIVE THAN TO UNITE again in 1962**".
3. On page 866, he mentioned "**Kashmir problem will be AUTOMATICALLY SOLVED**".

Based on facts, **all his predictions remained as "predictions only"**.

Paper 10 - November 1959 by Aldo Lavagnini :

According to the Author; on page 926, "**It could well mean her (India) reunion with Pakistan, even while the way in which it takes place maynot be an unmixed blessing**".

Based on facts, **all his predictions remained as "predictions only"**.

Paper 11 - December 1959 by Jashbhai R Vadalia:

According to the Author; "**For India, this is NOT a healthy thing for the normal administration of the country**".

Based on facts, prediction "**came true - Sino-India war footing**".

MAJOR EVENTS IN YEAR 1962 WORLD-WIDE:

1. On 3-Feb-1962, US embargo against Cuba started resulting in spark for Cold War (Prediction came true as mentioned in Paper 1).
2. March-1962 -- Military Coup in Burma
3. 10-October-1962 -- Beginning of Indo-China war over a border dispute.
4. 24-October-1962 -- Cuban Missile Crisis (famously known as Red October).

EC # 2: Astagraha Kutami - 1959 Astrological Magazine - Analysis Continued...

CONCLUSION:

Below are my conclusions:

1. While some predicted "Global War" some rejected the possibilities.
2. I am astonished to see how there was a possibility of "reunion" of India & Pakistan in 1962 as predicted by some astrologers.

Personally, I think that astrologer must keep his or her personal beliefs or opinions while analyzing the chart. Looking at a chart for some sort of combination or explanation to justify your pre-conceived notion will always result in "failures".

NEITHER INDIA & PAKISTAN GOT REUNITED AS OF TODAY NOR THE KASHMIR PROBLEM GOT RESOLVED.

PC # 1: Analysis of known un-numbered BSP Rule - Part 2

Author: Sastry Karra

In Saptharishi's Website, there were few BSP rules that were made public (thru an article titled

"All BSP Techniques on One Chart" - authored by Yuvraj dated 11-April-2011).

Ref: <http://yuvrajajaysingh.com>.

For those rules that don't have a BSP rule number, I am considering them and analyzing with suitable examples.

Rule: At the age of 28, Mercury "Activates 5th house from its Natal Position".

This article is to prove the above-mentioned BSP rule. In this article, Using D1 chart of some natives, I will be "analyzing" events when the native was 28 years old. According to Indian age calculation, the 28th year is termed as the period starting the day after 27th birthday and ending the day before 28th birthday.

While most charts are used for analyzing the events during their 28th year, two charts were considered where the events are "predicted". Please consider these charts for educational purposes only.

Analysis of the Event from Rashi Lagna:

Being lord of 6th house (Employment conditions) and cojoined with 9th (Earnings) & 12th (Foreign travels) lord, activating 11th house resulted **in a possibility to travel abroad for better financial grounds**.

Analysis of the Event – Chandra Lagna:

From Moon, Mercury is in 2nd house (which deals with Dhana-stanam & Kutumbha-stanam).

Fifth house from Mercury is Sixth house from Moon. Sixth house deals with employment conditions.

Thus, even Moon cooperated in "**change of employment conditions resulting in earnings**".

The other possibility (no idea if happened or not) is that "change of employment conditions after starting a Family - Kutumbham".

Sastry Karra's Predictions:

Using Rashi Chart;

Based on your chart, my prediction is that Mercury residing in 6th (employment conditions) house which it owns will activate 10th (Career) house between your 27th and 28th birthday.

So, my prediction is: **Possibility of change in job (new) or promotion in current job with increase in earnings. Venus being 10th house lord, the nature of job will include creativity/design/entertainment etc.**

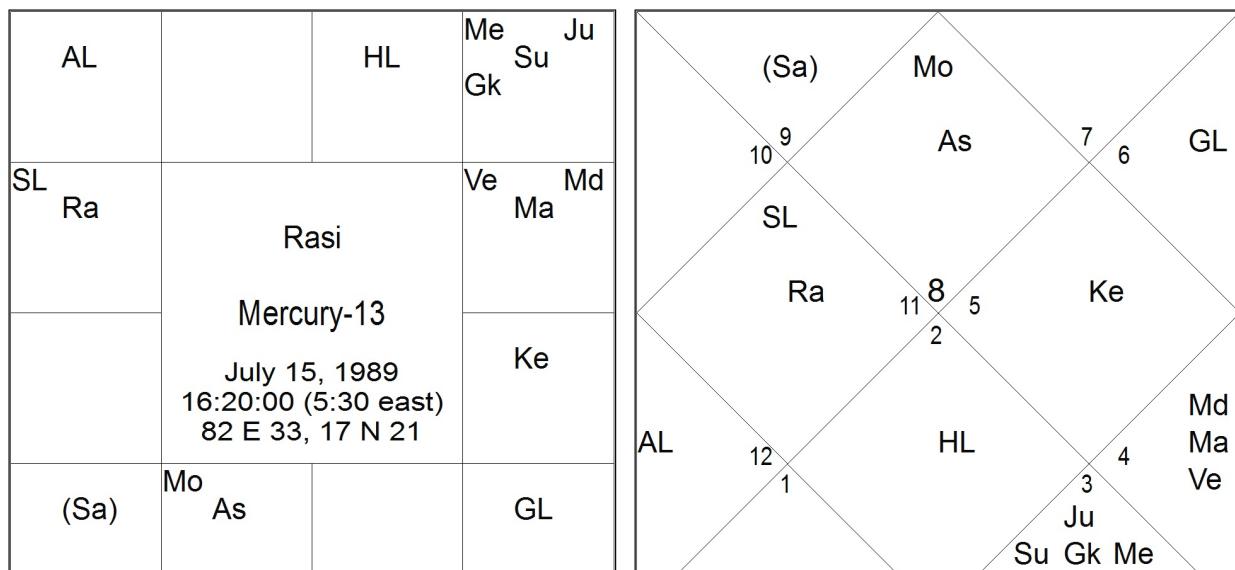

**>>Since, I don't know much about your educational qualifications & your profession, so I cannot go further detail.

Using Chandra Lagna;

Based on chandra lagna, Mercury is in 3rd house and will activate 7th house from Lagna. As mentioned about, Venus is the lord of 7th house and from Moon Venus is in 2nd (Kutumbha-stanam) house too.

So, my prediction is: **Possibility of you getting married after your 27th b/day and before 28th is VERY HIGH.**

Analysis of possible events:

While Moon controls our mind and tells us what we want, Ascendant tells us what we surely happen. Since Moon is in 1st house, **for this native what he wants and what will happen will be same.**

Using Rashi & Chandra Lagna, Mercury impacts the 12th house owned by Venus and Venus is in 9th house.

There are two possibilities viz.

1. Bhagyastanam :- **RESULTING IN INCREASE OF EARNINGS EITHER THRU MEDICAL PROFESSION OR TRAVELING/WORKING ABROAD.**

PC # 2: *Complexity in predicting Profession - Part 1*

Author: Sastry Karra

A number of people were eager to know which career suits them and how high can they move in their career. Some natives even ask specifically whether they can get a "government job" or not.

While D10 (Dassamsa) can be used for precise career selection or growth, D1 (Rashi) plays a vital role too.

In this part of the article, I will be first highlighting the impact of various houses in D1 & D10 charts. In the next parts, I will analyze some charts depicting the rules mentioned here.

Houses that impact career along with 10th are 1st, 2nd, 3rd, 4th, 5th & 6th in D1 chart.

Thus, one shouldnot rush in predicting the Career of a native just by looking at 10th house in D1 chart.

Let me explain in deal why the above houses impact the decisions made by a native pertaining to his or her career.

First House:- First house deals with Tanu-stanam aka Self-Identify. Native who is physically fit can express his or her views in an effective manner.

Second House:- Second house deals with Dhana-stanam (Earnings) and Kutumbha-stanam (Family). A strong 2nd house indicates that the native will have enough money during his or her lifetime. Family atmosphere the native was brought up directly impacts the tendency to react in different situations. Also, second house deals with speech. Native who have benefics in 2nd house will have ability to have a good speeching skills (no need to be a leader or politician, just enough speech capabilities to express his or her opinions in an effective manner).

Third House:- Third house deals with Buddhi or Wisdom or character. A beneficial third house indicates that the native can recieve help from others in the society and vice-versa.

Fourth House:- Being a Kendra, benefic planet will provide the stable and good home-life environment (Sukha-stanam) and the quality of basic education will be good.

Fifth House :- Fifth house deals with intelligence (or pratibha) and the power of intution. It also deals with the ability to acquire advanced education.

Sixth House :- Sixth house deals with employmenent conditions. This house denotes the native's career work-place.

In the same manner, by gathering the Nakshatra's and its Lord for the above planets will also help in reconfirming the analysis.
